FOREWORD

TATA STEEL EDUCATION EXCELLENCE PROGRAMME (TEEP)

To: Schools/Educational Institutes

From: N K Sharan

Subject: TEEP Criteria 2019 & 2020

Rabindranath Tagore has said “The most important aspect of education is not explanation; it is to ignite the mind.” He further added “If exams are passed by leaning by rote, is it not cheating? If we take the book concealed within our clothes, it is cheating. But isn’t it also cheating if we take the matter in our brain without understanding it?”. To my mind, these two principles – “igniting mind” and “learning by understanding” should continue to guide our schools and educational institutes.

To keep pace with the changes around us and be relevant, the TEEP criteria is refined every two years. This is yet another year to take stock, reflect and make meaningful refinements. Therefore, this year the TEEP criteria has undergone few refinements, wherein the learning from the previous assessments has been incorporated to make it more user friendly. Notes have been enhanced for all categories with school examples and clarifications.

In keeping with the tenor of change and improvement, 4 new awards for excellence have been introduced under the TEEP recently. These are:

- **DARE TO TRY AWARD:** for recognising courageous and determined attempts to solve big & audacious problems, where the improvement team displayed strong resolve to succeed but failed to achieve the desired outcome.
- **OUTSTANDING ACTIVITY CLUB AWARD:** for recognising the singular efforts of the activity club that contributes to making the club more effective and promotes holistic development of students.
- **TEACHER AWARD FOR EXCELLENCE IN TEACHING:** for recognising the skills, competencies, and performance of an effective teacher
- **GOOD PRACTICE ADOPTION AWARD:** for identifying and implement a good practice from another school, and further improving upon the practice to yield the desired outcome/s.

I trust all these changes and improvements will help in making your school even better. It gives me great pleasure in placing the TEEP Criteria 2019 & 2020 before you.

रबीन्द्रनाथ टैगोर ने कहा था, “शिक्षा का सबसे महत्वपूर्ण पहलू विवरण नहीं है, बल्कि यह मन को प्रज्वलित करना है।” उन्होंने आगे कहा, “अगर परीक्षाएं रट कर पास की जा सकती हैं तो क्या यह नकल नहीं है? यदि हम अपने कपड़ों के बीच किताबों को छुपा कर परीक्षा कक्ष में ले जाते हैं, तो यह नकल है, अगर हम बिना समझे किताबों को कंठस्थ करते हैं तो क्या यह भी नकल नहीं है?” मेरे नजर में, “दिमाग को प्रज्वलित करना” और “समझ से सीखना”, इन दो सिद्धांतों को हमारे स्कूलों और संस्थाओं को मार्ग दर्शन करते रहना चाहिए.

हमारे आस-पास के बदलावों के साथ तालमेल रखने और प्रासंगिक होने के लिए, TEEP मानदंड हर 2 साल में परिष्कृत किया जाता है। मानदंड पर चिंतन करने और सार्थक परिशोधन करने के लिए यह एक ऐसा साल रहा है। इसलिए, इस वर्ष TEEP के मानदंड में कुछ शोधन किए गए हैं। मानदंड को उपयोगकर्ता के अधिक अनुकूल बनाने के लिए, पिछले आकलन से पाए गए सीख के आधार पर कुछ शोधन शामिल किये गए हैं। स्कूल के उदाहरणों और स्पष्टीकरण के साथ सभी श्रेणियों के लिए नोट्स बढ़ाए गए हैं।

परिवर्तन और सुधार के कार्यकाल के साथ, हाल में, TEEP के तहत, उत्कृष्टता के लिए 4 नए पुरस्कार शुरू किए गए हैं।

DARE TO TRY AWARD: ऐसे प्रोजेक्ट्स को मान्यता, जहाँ टीम ने बड़ी और दुस्साहसिक समस्याओं को हल करने के लिए साहसी और दृढ़ प्रयास किये प्रयास किये लेकिन परिणाम प्राप्त करने में विफल हुए।

OUTSTANDING ACTIVITY CLUB AWARD : स्कूलों में ऐसे एक्टिविटी क्लबों के प्रयासों को पहचानना जो छात्रों के समग्र विकास को बढ़ावा देते हैं और क्लब को अधिक प्रभावी बनाते हैं।

TEACHER AWARD FOR EXCELLENCE IN TEACHING: एक प्रभावी शिक्षक के कौशल, दक्षता और प्रदर्शन को पहचानने के लिए।

GOOD PRACTICE ADOPTION AWARD : किसी अन्य स्कूल से एक अच्छी प्रक्रिया की पहचान कर, उसे अपने स्कूल में लागू कर, एवं उस प्रक्रिया को सुधार कर वांछित परिणाम प्राप्त करने के लिए।

मुझे विश्वास है कि इन सभी परिवर्तनों और सुधारों से आपके स्कूल को और भी बेहतर बनाने में मदद मिलेगी। मुझे आपके सामने टीप मानदंड 2019 एवं 2020 को प्रस्तुत करने में खुशी होती है.

PERFORMANCE EXCELLENCE FRAMEWORK

The excellence concepts are embodied in seven basic categories as follows:

1. Leadership
2. Planning
3. Student, Parent and Stakeholder Focus
4. *Measurement, Analysis, Improvement, IT (part of Planning Category)
5. Teacher and Staff Focus
6. School Operations
7. School Results
 - 7.1 Leadership and Planning Results
 - 7.2 Student, Parent and Stakeholder Results
 - 7.3 Teacher and Staff Results
 - 7.4 School Operations Results

The 7 categories form the building blocks and the integrating mechanism for the system. The heart of the system is School Operations (category 6). This includes the teaching learning process and the environment to support teaching and learning. The outcomes of the School Operations are reflected in School Operation Outcomes (Category 7.4). The core process of School Operations requires enablers to make desired level of teaching learning happen, viz. Teacher and Staff Focus (Category 5), as well as Student, Parent and Stakeholder Focus (Category 3). The effectiveness of these enablers is reflected in Teacher and Staff Results (7.3) and Student, Parent and Stakeholder Results (7.2) respectively. Leadership (Category 1) & Planning (Category 2) drive these categories to work in an integrated manner to achieve the desired results. The outcomes of these are visible in Leadership and Planning outcomes (7.1).

प्रदर्शन उत्कृष्टता की रूपरेखा

उत्कृष्टता अवधारणाएं निम्नलिखित सात बुनियादी श्रेणियों में सन्निहित हैं

1. लीडरशिप
2. प्लानिंग
3. विद्यार्थी अभिभावक एवं स्टैकहोल्डर फोकस
5. शिक्षक एवं स्टाफ फोकस
6. स्कूल संचालन
7. स्कूल परिणाम
 - 7.1 लीडरशिप प्लानिंग परिणाम
 - 7.2 विद्यार्थी अभिभावक एवं स्टैकहोल्डर परिणाम
 - 7.3 शिक्षक एवं स्टाफ परिणाम
 - 7.4 स्कूल संचालन परिणाम

टीप सिस्टम के 'बिल्डिंग ब्लॉक' 7 कैटगरी या वर्ग हैं। सिस्टम का मूल कैटगरी स्कूल संचालन (school operations) हैं। इसके अंतर्गत 'शिक्षण-अधिगम' एवं शिक्षण अधिगम के लिए सहयोगी माहौल आते हैं। स्कूल संचालन के परिणाम स्कूल संचालन परिणाम कैटगरी (7.4) में आते हैं। इस मूल प्रक्रिया को सुचारु रूप से संचालित करने हेतु समर्थक प्रक्रियाएँ हैं – शिक्षण एवं स्टाफ फोकस (Category 5), विद्यार्थी, अभिभावक एवं स्टैकहोल्डर फोकस (Category 3)।

इस समर्थक प्रक्रियाओं की प्रभावशीलता एवं स्टैकहोल्डर परिणाम में देखे जाते हैं।

लीडरशिप (Category 4) तथा प्लानिंग (Category 2) उपरोक्त प्रक्रियाओं का एकीकृत रूप से दिशानिर्देश करती हैं, जिससे स्वेच्छित परिणाम को हासिल किया जा सके।

लीडरशिप एवं प्लानिंग परिणाम (Category 7.4) इन प्रक्रियाओं की प्रभावशीलता दर्शाती हैं।

TEEP Basic Programme

Education Excellence Criteria (BASIC)

For schools just starting the excellence journey, Regular Assessment under the TEEP Framework poses a formidable challenge. Assessment interventions are once in two years. Consequently, it takes several years for schools to achieve a minimum level of process maturity.

Hence Education Excellence Criteria (BASIC) was created as a simple assessment tool for schools to accelerate their excellence journey in the initial stages. The focus of the criteria is on basic processes only. The criteria comprises a checklist of questions aligned to the requirements of the Education Excellence Model. The questions address only the Basic Requirements of the process. The checklist can be used by internal as well as external assessors. It can be used by schools several times a year iteratively and can thus hasten the school's progress towards process maturity.

The BASIC checklist also encourages schools to strengthen their data collection process for **all school results**. A guideline has been provided for all schools on standard Common Performance Parameters (CPP), which the school may use, while compiling all school related results.

To address the needs of government and rural schools, a simpler version of Basic Criteria called Education Excellence Criteria (SARAL) has been created. The SARAL Criteria requirements address elementary processes only.

The Basic checklist includes SARAL as well as BASIC requirements. These are identified through specific Fonts as given below:

SARAL REQUIREMENT: *Does the governing body/ managing committee review school performance with respect to academic matters and guide the school? Show records*

BASIC REQUIREMENT: Does the governing body/ managing committee review school performance with respect to legal & regulatory (Board, Govt. circulars) matters, and guide the school? Show records.

NOTE: For the ease of use by schools and assessors, the Hindi translation of the criteria requirements has been included.

उत्कृष्टता यात्रा की शुरुआत करनेवाले स्कूलों के लिए टीप (TEEP) फ्रेमवर्क के तहत नियमित मूल्यांकन एक बड़ी चुनौती प्रस्तुत करता है। मूल्यांकन संबंधी हस्तक्षेप वार्षिक भी होते हैं। परिणामस्वरूप प्रोसेस मैच्यूरिटी का न्यूनतम स्तर हासिल करने में स्कूलों को कई वर्ष लग जाते हैं।

इसलिए स्कूलों की उत्कृष्टता यात्रा को शुरुआती चरणों में गति देने के लिए एक सरल मूल्यांकन टूल के रूप में शिक्षा उत्कृष्टता मानदंड (बेसिक) (Education Excellence Criteria, BASIC) का सृजन किया गया। इस मानदंड में सवालों का एक चेकलिस्ट शामिल होता है। ये सवाल केवल इस प्रक्रिया की बुनियादी आवश्यकताओं को पूरा करते हैं।

सरकारी एवं ग्रामीण स्कूलों की जरूरतों को पूरा करने के लिए बुनियादी मानदंड का एक ज्यादा सरल संस्करण तैयार किया गया है जिसे शिक्षा उत्कृष्टता मानदंड (I j y) (Education Excellence Criteria, SARAL) नाम से जाना जाता है। सरल मानदंड की आवश्यकताएँ केवल प्राथमिक प्रक्रियाओं को एड्रेस करती हैं।

बेसिक चेकलिस्ट में सरल एवं बुनियादी (c d) आवश्यकताएँ दोनों ही शामिल हैं।

सरल आवश्यकता : D k x o l u x c, M y e s s e x d f e V h' k f. k d - f' V l s L d y w d c
A n' k d h l e h k d j r h g s v c L d y w d k e x z' k d j r h g s

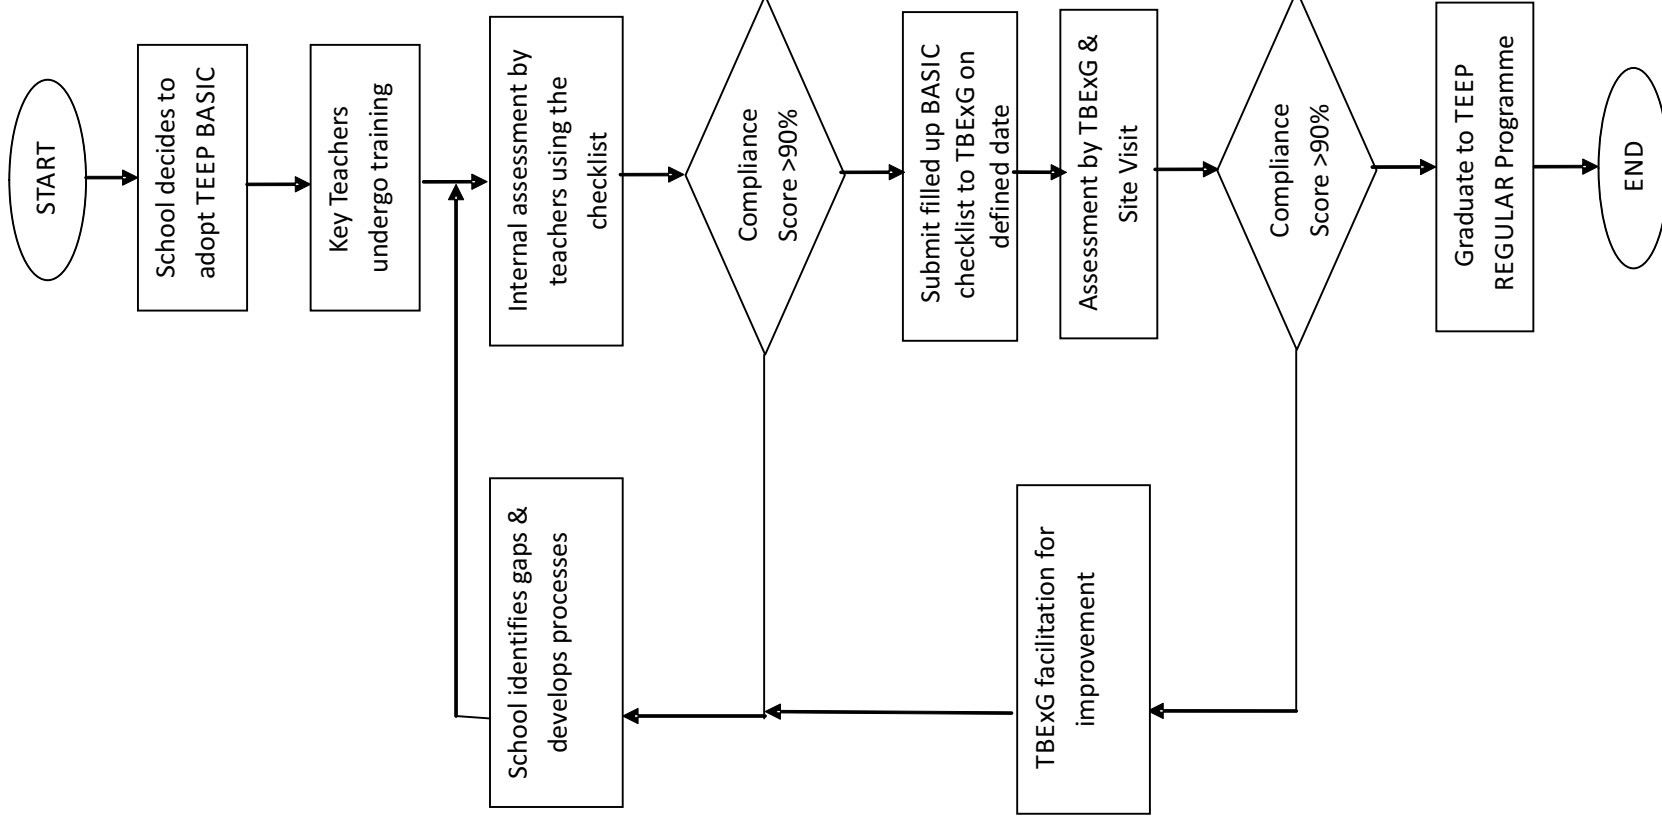

बुनियादी या बेसिक आवश्यकता : क्या गवर्निंग बॉडी/मैनेजिंग कमिटी विधिक एवं नियामक (बोर्ड, सरकारी सर्कुलर) मामलों की दृष्टि से स्कूल के प्रदर्शन की समीक्षा करती है और स्कूल का मार्गदर्शन करती है? रिकॉर्ड दिखाएँ।

Given below is a flow chart which explains the role of the TEEP –BASIC Programme

नीचे एक पलो चार्ट दिया गया है जिसमें टीप -बेसिक (TEEP-BASIC) कार्यक्रम की भूमिका का वर्णन किया गया है।

Instructions

1. The requirements in the checklist are of two types: some require answers in the form of 'Yes/No' (column 3). Wherever school writes 'Yes' they will need to attach photocopies of records as evidence and put 'Yes' in column 4.
2. In case requirements are not applicable to your school please write 'NA'

SARAL ASSESSMENT :GUIDELINES FOR SCORING

A. SCORING
1. Compliance Score equals number of compliance rows/total number of applicable rows
2. Compliance for Questions
2.1 If both columns are Y, the row is compliant
2.2 By default, if any one column is N, then the row is non-compliant. However, judgement can be exercised by assessors to make it compliant, supporting this with appropriate remarks.
2.3 While determining compliance, rows with "NA" must not be included in the total numbers of rows.
B. RECORDS
1. Schools are expected to submit the filled up workbook along with supporting documents as available
2. All results are to be produced as records against the criteria requirements.
C.SEGMENTS
1. Wherever surveys are asking for representation amongst all participants, class wise segment is required

1. चैकलिस्ट में दो प्रकार की आवश्यकताएँ हैं : कुछ में 'हाँ/नहीं' (कॉलम 3) के रूप में जवाब देना है। जहाँ भी स्कूल द्वारा 'हाँ' लिखा जाता है, उन्हें प्रमाण के रूप में फोटोकॉपी संलग्न करना होगा एवं कॉलम 4 में 'हाँ' लिखना होगा।
2. यदि वे आवश्यकताएँ आपके स्कूल पर लागू नहीं होती हैं तो वजह समेत 'लागू नहीं' लिखें

Review may also consider implementation of govt initiatives - Learning Enhancement Programme through Buniyaad & Buniyaad Plus as appropriate at the Primary and Upper Primary level.

1.07: Review of legal and regulatory matters may also consider ensuring maintenance of attendance records & records of students with Bank accounts in order that amounts disbursed by govt under various policies- such as School Kit; Mukhyamantri Vidyalaya Yojana; VidyaLakshmi Yojana (girl child Class VI)- for purchase of uniforms and text books and for girl child- are deposited in the students accounts (as appropriate).

Reviews may also ensure that all govt policies and initiatives are in place –such as a) Community participation which provides for training SMS members over 3 sessions of 1 day each; b) Social Audit is conducted twice /year

6.2.05, 6.2.06: Lesson Planning: 6.2.04, 6.2.05, 6.2.06: Acquisition of knowledge and skill can be planned systematically, while preparing the subject-wise, class-wise Lesson Plan. Use of technology, & Smart Boards, Project work etc. may be considered as part of lesson planning.

In order to ensure overall development of students, teachers may also focus on 'development of character'- by identifying 'Values' from lesson/topic (eg. For the Chapter 'Classification of Animal Kingdom' the underlying 'Value' could be: diversity in animals, the need for peaceful co-existence and valuing life in all its forms) - and include plans for ensuring that students imbibe these values.

Schools can consider participation in any or all of the various initiatives offered under the Tata Education Excellence Programme (TEEP)

PEARL or Good Practices are fundamental processes of the school, implanted and nurtured over the years, and improved upon. These practices may be identified by Assessment teams as part of their assessment. Schools not applying for Assessment may also identify and upload their good practices in the prescribed format.

PEARLs are evaluated on the following parameters: Benefits of implementation, Uniqueness, Adaptability (Can it be adapted by other schools? extent of resource involved, time taken, limitations) and Robustness.

PANKH: Improvements implemented in the school by students in various areas such as academics, co-curricular activities, club activities, community services, safety etc may be submitted as Concept Papers. Projects should focus on the following evaluation parameters: Trigger (what caused the project to be taken up), Implementation and, Impact

INNOTEACHING: Papers on innovation in teaching methodologies may be submitted by teachers/groups of teachers detailing their 'experiments with teaching practices'.

Parameters for evaluating INNOTEACHING focus on: Implementation of the new method/methods, its Impact, Applicability in other subjects/schools

Education Quality Improvement Projects (EQUIP): Each year, 5-6 member teams comprising of teachers/senior students may submit Improvement Projects under three areas: a) Executing Task, b) Innovation, c) Problem Solving. All projects are to be submitted in the prescribed workbooks.

EQUIPs are evaluated on the following criteria: Definition of the Problem, Analysis of Root Cause, Implementation of Solutions/Counter Measures, its Impact/Benefit, Irreversibility, Originality of innovation (as appropriate), Selection of Alternate Approaches (as appropriate).

GOOD PRACTICE ADOPTION AWARD : A team of teachers may identify and implement a good practice from another school, and further improve upon the practice to yield the desired outcome/s. The award for Good Practice Adoption is evaluated on the following parameters – Relevance to School Objectives, Selection of the source of the practice, Adaptation & implementation and Benefits.

Common Performance Parameters (CPP)

- Common Performance Parameters have been introduced as a platform to enable comparisons as a platform for improvement.
- CPP represent only some selected parameters in the Results Category; the school may use more parameters to manage its performance.
- Even for surveys, the school may have additional factors; however, for CPP reporting, only specified factors need to be considered.
- Details of the CPP including parameter name, definition, segments, and applicability are available on the TEEP website: www.educationexcel.co.in. Each school has been given a user id and password. You may please contact TQMS for assistance.
- CPP data is to be updated directly every year onto the website by each school. The CPP is available under the 'Assessment & Awards' section of the home page.
- Schedule for submission of CPP on website for the year by the school will be notified separately by mail.
- Consolidated Report on CPP for all schools will be available on the website. Please note that access to consolidated CPP report is available to only those schools that have updated their own CPP data.

- **Date for Online Submission of CPP : On OR before 20th June**
